Attendees

Mandy Buhler, Roxane Archer, AJ Neufeld, Jerrah-Lee Broesky, Audrey Braun, Lindsay Lepp

Agenda

Principal Report

- New interim principal, AJ Neufeld - good first few months transitioning to MMS.
 - Current position is a 6 month secondment (June 2021)
 - Running on the assumption that Mr. Mead will return - planning for the fall with his return in mind.
- Return since January 18 with grade 7/8s alternating days has allowed us to follow protocol with 2 metre distancing and adequate space in classrooms.
 - Grade 7/8s connect more meaningfully with teachers
 - More time for small group and 1:1 teacher instruction
 - Cons: the 7/8s are here less, there are more social emotional concerns that the Student Care Team meets regularly about.
- Our communities are still in level Red and we are running our building in level Orange. Discussions beginning at a divisional level about what April, May and June look like.
 - The team is operating on the assumption that we will continue with grade 7/8 alternating days until we hear otherwise.
- February was good - wrapped up an I Love to Read Month with opportunities for kids to engage in a COVID friendly way.
 - Digital book sales
- Grade 8s transitions
 - SRSS Open House tours happening this week (2 afternoons)
 - 2 busses booked, seating plans being made to track student contact
 - Course planning ramping up
- Report Card Admin day is this Friday
 - Teachers working steadily on those reports

Treasurer Update

- \$300 dollars to come out of the PAC account.
- Jerrah-Lee to talk with Mrs. Enns - re: sending statements in for us.

Fundraiser

- AJ to follow up with Scott B. re: parent donations on Parent Portal
- Lindsay will look into secure e-transfers.
- Roxanne will look at Event Brite for charitable event (purchase a ticket) then email info to PAC.
 - Add an incentive piece (have a draw with a prize)
- Timing: decision made to wait until **October 2021**.
 - This gives PAC time to research a variety of donation avenues and organize without the rush of a deadline.

Next Meeting

- Monday, April 5, 2021 at 9:00 AM (Zoom)
